#### Fall District Events:

Early in November, I teamed up with Gumbo Wars Inc. to host the Hook Kids on Fishing event at Warren Park. This was a family fun event focused on teaching kids the basics of fishing. The first 100 kids received a free fishing pole and tackle box to go along with their newfound skills.

We also hosted the District's first ever skateboarding event at Barber Park, showcasing professional skateboarders who provided lessons to kids in the district. It was another opportunity for kids to be active and have fun outside. We look forward to hosting more family centered events such as this in the future.

#### Looking Ahead:

Mark your calendars! I will be hosting a Christmas event on Saturday, December 7, 2019 with the Friends of Cypress Grove. We plan on having food, arts and crafts, and maybe a special appearance from Jolly Ole' Saint Nick himself. We look forward to seeing you then as we wrap up the year!

Lastly, as we move into the holiday season, let us not forget those in need. I encourage you to help by participating in one of the numerous drives accepting coats, turkeys, or canned goods to be delivered to those going through difficult times. If you would like more information on any of the food drives going on within the district or any of our events, feel free to give our office a call or subscribe to our newsletter.

Happy Holidays to you and your family.

Best Regards,
