President's Message

From the Desk of the President – Jo'an Rice

Hello Neighbors,

Wow! Hopefully everyone has survived this very HOT SUMMER without our air conditioners going day and night.

A reminder that the Hurricane season is here and hopefully everyone is prepared with insurance on our homes. If not, remember that once you apply for your insurance it takes 30 days before it takes effect. Now is the time to call your insurance company and get protected. Remember once there is a tropical storm it is too late to apply for insurance.

Pine Castle Safe Communities Preservation Association (PCSCPA) members voted at the June 3, 2019 meeting to return to our once a month meeting. We will meet on the first Monday of every month unless it is a holiday. The other exception is the October meeting. We will meet on Tuesday October 1, 2019 at the YMCA for our National Night Out.

District 3 Notables:

Summer Olympics of Reading Literacy Program

This program aimed to increase the summer reading rate within the Title 1 schools in the district. It was an amazing success! We concluded our summer literacy program with a fun back to school backpack giveaway and pizza party. Participating parents and children received backpacks, raffle gifts, and prizes for their hard work.

Back to School

We are gearing up for back to school! I collaborated with numerous organizations across the district, distributing backpacks, school supplies, and other essentials to ensure our kids are ready for the fall. Thanks to the generosity of various sponsors, we were able to give away over 500 backpacks and thousands of school supplies to children in District 3.

Community Leadership Conference

Our office is hosting our inaugural Community Leadership Conference this fall! Join us Saturday, September 14, 2019 from 9 a.m. to 1 p.m., at the Florida Hotel, 1500 Sand Lake Road Orlando, Florida 32809. This is an opportunity for all community organization leaders, HOA board members, and residents who want to become more involved and learn ways you can be more effective within our community. There will be an "Orange County Hour" dedicated to four key Orange County agencies followed by three distinct informative sessions. We will end with a lunch discussion and Q&A led by Commissioner Uribe. There are only 100 spots available so be sure to RSVP when the invites go out! We hope to see you there!

Best Regards,

Mayra Uribe
