Consumer Tips - Avoiding Consumer Fraud

Learn to recognize fraud and how to avoid becoming a victim. Orange County's Consumer Protection Office is on your side to provide the information you need and protection you deserve. A few suggestions:

GETTING YOUR CAR REPAIRED

- Get a written estimate that itemizes all parts and labor you are paying for.
- Seek a second opinion for any major repair work.
- Make sure you get a copy of the warranty.

TELEPHONE SOLICITATIONS

- Ask the caller to send you the information via regular mail.
- Never give a telemarketer your credit card number unless you trust them.
