KEEP BUILDING NEIGHBORHOOD MORALE! Create Social Distancing Fun for the Neighborhood:

- I-Spy – hang drawings, teddy bears, messages in windows
- Scavenger Hunt
- Paint stones and leave them around the neighborhood
- Plant a front yard flower or vegetable garden
- Fly a kite
- Host an outdoor exercise class
- Bingo
- Flashlight tag
- Yard games in front yard
- Host sewing bee for masks and scrubs
- Chalk art and games on sidewalks

DIY Sidewalk Chalk Paint:

Whisk 1-cup warm water with 1-cup cornstarch until cornstarch has dissolved. Pour the mixture in equal parts into an old muffin tin. Add food coloring of your choice. Let the kids grab a paintbrush and go to work on the patio or sidewalk!

Dear Neighbors,

I know we have been experiencing some tough and unprecedented times. I am inspired by all the people that have stepped up to help provide crucial services to those in need throughout the County. From the numerous groups providing food and counseling, to those organizing to make personal protection equipment for our community, to all of our medical personnel and first responders, I could not be more proud. My heart goes out to all of our families, but especially to those that have been directly impacted by this virus. We are all in this together, and I know we will come out of this stronger and more united than ever.

If you need anything, please know I am here to serve.

Sincerely,

Mayra Uribe, District 3 Commissioner

**Thank You to all of our Azalea Park Communities!
Thank you to all of our Azalea Park Residents!**

Through all of the crazy news around the world, not knowing how the other side is going to look, our neighborhoods have come together.

We're helping each other practically, by pooling trips to the grocery store so that there are fewer people in public. We're on the lookout for hard-to-find items for neighbors in need. We've given cash to support families who are out of work.

We are getting to know each other by chatting in the evenings while maintaining our distance. Some of us pray for and with neighbors who are working on the front lines with the public. We're helping each other move large items and have done repairs that would normally have required paying a professional.

We're sharing our fears, our frustrations, our good news and our bad with each other. We're building morale among our ranks with sidewalk art, yard games, and bike rides.

We know each other, we care about each other, and our community will come out of this crisis stronger and safer than it went in.

**¡Gracias a todos nuestros Comunidades del Azalea Park!
¡Gracias a todos nuestros Residentes del Azalea Park!**

A través de todas las noticias locales alrededor del mundo, sin saber cómo se verá el otro lado, nuestros vecindarios se han unido.

Nos estamos ayudando mutuamente prácticamente, al agrupar los viajes al supermercado para que haya menos personas en público. Buscamos artículos difíciles de encontrar para vecinos necesitados. Hemos dado dinero en efectivo para apoyar a las familias que no tienen trabajo.

Nos estamos conociendo charlando por las tardes mientras mantenemos nuestra distancia. Algunos de nosotros oramos por y con los vecinos que trabajan en primera línea con el público. Nos estamos ayudando mutuamente, moviendo artículos grandes y hemos realizado reparaciones que normalmente habrían requerido pagar a un profesional.

Estamos compartiendo nuestros miedos, nuestras frustraciones, nuestras buenas noticias y nuestras malas entre nosotros. Estamos construyendo moral entre nuestro equipo con arte en la acera, juegos de jardín y paseos en bicicleta.

Nos conocemos, nos preocupamos y nuestra comunidad saldrá de esta crisis más fuerte y segura de lo que fue.
