Hello Neighbor,

It is summertime and many wonderful things are happening in District 3. We continue to participate and support our communities and invite you to visit us downtown and at our remote office locations.

I want to highlight a notable event that took place in the District. In April my office, in partnership with the Orange County Sheriff's Department, held our first community forum on safety. The forum had a wonderful turnout and provided residents the opportunity to speak directly to county officials. Sheriff Mina and his staff listened to constituent concerns and answered questions regarding the rampant use of ATVs and dirt bikes within the County, vacant houses, lake safety and noise, and a host of other important topics. I hope to continue facilitating forums such as this one in order to maintain an open dialogue about what is happening in our community.

As always, please feel free to call or email our office with any of your concerns.

Best regards,

Mayra Uribe
