Keeping Things Clean

Orange County District 1 Commissioner Nicole Wilson, staff from her office, and members of the Environmental Protection Division and Neighborhood Services Division took 266 pounds of trash out of the side streets and ditches in Tildenville on January 19. The weather cooperated and the team cleaned up the neighborhood in just a couple of hours.

Code Compliance Question & Answer

Q: Code Compliance says junk vehicles are not allowed. What constitutes a junk vehicle?

A: Flat tires, undergrowth, dismantled, wrecked, no license plate, expired tag or registration. After a code violation notice is issued, if owners do not remove or repair the vehicle in 15 days, the County contractor can tow it away.
