### Code Compliance Question & Answer

**Q:** Can the County do anything if my neighbor refuses to cut the grass or keeps piles of debris in their yard?

**A:** Grass and weeds taller than 18 inches and the accumulation of junk, trash, and debris on a property are code violations. Please call 407-836-3111 or use the 311 app to report these code violations. If the property owner does not address the code violation, the County has the authority (with due process) to clean the property. The property owner is responsible for the cost of cleaning the property.

Registration Opens 45 Days Before Scheduled Class

## A Note From Commissioner Uribe, District 3

Dear Neighbors,

It's Summertime! The school year is wrapping up, children will be out of school, and warm days are the norm. Please remember to stay hydrated and protected from the sun's rays.

I am excited to share a few events we will be hosting and encourage you to join our newsletter to stay up to date. Events include back-to-school events in July and our Community Leadership Conference in August. You can sign up by emailing us at [District3@ocfl.net](mailto:District3@ocfl.net), calling 407-836-5140, or by scanning the QR code below with your smartphone.

I will be hosting a Town Hall meeting in Pine Castle on July 1 at the Pine Castle Women's Club. We will cover a variety of topics and encourage you to come out and get your questions answered by County agencies and law enforcement.

As we enter hurricane season, please stay informed about any threats or changes in weather patterns. Between Orange County's Emergency Management Agency and local weather forecasts, it's imperative to remain prepared for any scenario. Stay tuned for Orange County's Annual Hurricane Expo announcement.

I look forward to seeing you in the community, and as always, please contact my office with any questions or concerns. We are here to serve you.

Warm Regards,

Apple
