A Note from Commissioner Uribe, District 3

Dear Friends and Neighbors,

As the warm weather rolls in and the school year comes to a close, I want to take a moment to welcome the sunshine and all the excitement that summertime brings to our community. There's something special about this time of year — the laughter of kids on break, neighbors gathering outdoors, and a renewed sense of connection across our district. I hope you and your loved ones find time to relax, recharge, and enjoy everything the season has to offer.

I also want to extend my heartfelt congratulations to all our graduates across Orange County. Whether you're moving on from preschool, high school, college, or any other milestone, know that we are incredibly proud of you. Your hard work, determination, and resilience have not gone unnoticed. This is a moment worth celebrating and I wish you every success as you step into the next chapter of your journey.

As we head into summer, I encourage you to stay connected with our community newsletter. We have a full calendar of events planned from family friendly gatherings and outdoor movie nights to food drives and volunteer opportunities. These are the moments that bring us closer, and we'd love for you to be a part of them. Details will be shared throughout the season, so be sure to stay tuned and sign up for our monthly newsletter — email district3@ocfl.net or call us at 407-836-5140.

Thank you for being the heart of this district. I'm honored to serve you, and I look forward to seeing many of you out and about this summer. Please contact us if we can ever be of assistance.

With warmest regards,
